Property Description

The Palm Parco consists of a detached house and semi-detached house which is designed in Nordic style by Sirisa Group. It is a new creative smart home model surrounded by nature. The electrical system in the home can be operated from a smartphone. The project is developed under the concept of five feelings; feel good location, feel safe, feel in love, feel the luxury, and feel the success. There are public areas for more privacy, making each residence a real resting place in a quiet and safe environment. The Palm Parco project is located in a prime location in the heart of Pattaya. The location of the project focuses on the convenience of traveling near the number 7 motorway as the main route.
